

## **St John's Brownies**

We meet every Tuesday during term time in the Infant School Hall between 6.00 p.m. and 7.30 p.m.

Any girls between the ages of seven and ten can be brownies.

Brownie Guides have fun! There are opportunities for them to learn new and practical skills and by taking part in games they discover how to be part of a team. Brownies can earn badges for doing their best to meet special challenges. They can also work for a wide range of interest badges. Extra meetings outside normal meetings also take place with the highlight of the year being the Brownie Pack Holiday.

Guiding is a national and international movement. Brownies are encouraged to look wider , beyond their homes and local community.

The Brownie Motto is "Lend a Hand" and we are always ready to help when and where we can. It is a tradition in Guiding to do a 'Good Turn' every day.

As we are a church group we encourage church worship and take part in a Church Parade on the first Sunday of every month.

For more information contact one of the leaders.

Brown Owl	Catherine Scott
Tawny Owl	Collette Ferguson
Little Owl	Linda O' Keefe
